Mixed Use Building For Sale

Discover this strategically located commercial gem on the city periphery, perfect for investors seeking flexibility and growth.

This versatile property offers a number of possibilities - whether for office or retail space, or residential conversion.

Ideally, with the right vision, the building could be transformed into multi-unit short-term accommodation (Airbnb), catering to the growing demand for urban leisure stays in the City Bowl.

Spanning approximately 230 sqm (Ground Floor 126 sqm, First Floor 104 sqm), the building also offers potential for expansion, allowing room to add further value.
